ORDER

JED S. RAKOFF, U.S.D.J.:

The Court has received another *pro se* motion for sentence reduction from defendant Anthony McGee. His motion will be placed on the docket concurrently with this Order. McGee moves to reduce his 60-month sentence to time served under 18 U.S.C. § 3582(c)(1)(A). However, in his motion, McGee raises no new or cognizable grounds for release. McGee's motion for compassionate release is therefore denied.

SO ORDERED.
